MEMORANDUM FOR Mr. Edward Ramsey  
Bureau of the Budget  
Room 126 Executive Office Bldg.

1. Attached herewith is a copy of the Director's letter dated 17 April 1950 to Chairman Cannon of the House Appropriations Committee, on the subject of accrued leave. Approval for this letter was given verbally to the Director by Mr. Frank Pace.

2. In view of the fact that the President may issue an Executive Order to Heads of Agencies on the subject of accrued leave, we are again calling this matter to your attention. It is hoped that CIA may be completely exempted from the provisions of any such order for the reasons set forth in the attached letter to Chairman Cannon.
